Our school strategies are on track to meet or exceed our targets

During 2015, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Create IPLs or EBPs for students significantly below their age cohort or at risk of not achieving NMS in 2015/2016 NAPLAN
- To invest in further specialist human resources in order to create and deliver targeted intervention programs for students below NMS in Reading
- Build the capacity of teaching and non-teaching staff in delivering research-based intervention teaching practices in Reading

Our school strategies are showing substantial progress toward our targets

After reviewing our Great Results Guarantee agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:

- Build parent capacity in promoting a love of reading in their children in their first 6 years of life
- Create further opportunities for parents to engage with their children in interactive reading activities
