Our school initiatives are on track to meet or exceed our targets

During 2016, we focused on maximising the benefits of this funding for our students. After reviewing our 2016 Investing for Success agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Reduced the number of students in Primary classes by creating an extra class.
- Provided focused and intensive reading intervention for all identified students.
- Prepared and supported teacher aides to extend student learning in classes as required.

Our school initiatives are showing substantial progress toward our targets

After reviewing our 2016 Investing for Success agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

- Revision of the school pedagogical framework using research-based model of Marzano – Art and Science of Teaching and embedding it as a shared language of teaching and learning.
